Calendar

1:00 PM – 1:30 PM — Thomson Reuters Check In | Dennis Modrak

Microsoft Teams meeting with Daniel Vasquez (Thomson Reuters, Tax, Audit & Acctg Prof).

Only Google Calendar (dennismodrak@gmail.com) was connected for this run; the Outlook/M365 calendar (dennis@modrakcpa.com) was not available, so any events there aren't reflected above.

Newsletter Summaries

No unread emails from the four priority sources — Bradford Tax Institute, Checkpoint/Thomson Reuters, Accounting Today, or CPA Trendlines — arrived in the last 24 hours. (One promotional Thomson Reuters email, "Save big during National Book Lovers Day," came in but is a retail offer, not a Checkpoint/tax content newsletter, so it was skipped.)

Other Important Emails

Re: PA Refunds — Warren Resnick & Max Modrak

Client correspondence thread (cc'd to you). Warren asked whether refund checks should go into the trust account; Max confirmed they're prior-year refunds, not trust income, and noted it in the 2026 file.

Public Storage — "Action needed: Review your new agreement"

Reminder that a Public Storage account setup/agreement isn't complete yet and needs review.

Dropbox — "Cancel your mobile plan in the App Store"

Claims you're on a duplicate Dropbox Plus plan and asks you to cancel via the App Store. Wording is typical of subscription-cancellation phishing — worth verifying directly in the Dropbox app rather than clicking any link in the email.
